KAREN T. DELLATAN

Content Operations Specialist | SEO Writing & Editorial QA

Agusan del Sur, Philippines (Remote) | karendellatan25@gmail.com | +63 930 633 8614

PROFESSIONAL SUMMARY

Content operations specialist with 2 years of experience running high-volume SEO content pipelines. Used AI-assisted workflows to produce, then personally reviewed, edited, and published 2,400+ SEO articles at a sustained pace of 16 per day across two concurrent writing roles, then built and led the editorial QA system a 6-7 person remote team relied on to keep 450+ articles a month (peaking over 1,000) accurate and on-brand across 5-8 websites. Also handles technical SEO work including content consolidation, redirect strategy, and search index management. Comfortable owning a process end to end, including editing, WordPress publishing, performance tracking, and team training, with practical daily experience integrating AI tools into content drafting, editing, and QA workflows.

CORE COMPETENCIES

SEO Content Writing · Editorial QA & Process Design · Technical SEO (Content Consolidation & Index Management) · Team Coordination & Training · WordPress Publishing · Keyword Research & On-Page SEO · Editorial Calendar Management · AI-Assisted Content Workflows · Performance Reporting (GSC/GA4)

PROFESSIONAL EXPERIENCE

SEO Content Writer (Concurrent Roles) **Sept 2024 – Feb 2025**

Prints Media & RNG Productions (Remote) | Philippines | Part-Time, Both Roles

- Used AI tools to generate SEO-optimized article drafts, then personally reviewed, edited, and published an average of 16 articles per day across two concurrent part-time writing contracts, totaling 2,400+ articles combined over 5 months.
- Conducted keyword research and optimized headlines and meta descriptions to improve click-through rate.
- Curated and scheduled content across MSN and Flipboard for cross-platform distribution.
- Edited AI-generated drafts for brand voice consistency across multiple sites while meeting daily deadlines for both contracts.

Assistant Marketing Manager, Content Operations **Feb 2025 – Present**

Prints Media (Remote) | Philippines | Part-Time

- Built and maintained the editorial QA checklist and SOPs used to review 450+ SEO articles a month (peaking over 1,000/month) across 5–8 websites, catching errors, duplicate content, and formatting issues before publishing.
- Onboarded and gave ongoing feedback to a remote team of 6–7 writers producing MSN-distributed content, keeping output aligned to one editorial standard.
- Led cross-platform content strategy across brand websites, MSN, and Flipboard, overseeing editorial planning and workflow execution.
- Handle technical SEO on the flagship site: keyword research, managing a content consolidation project that merges and redirects overlapping posts, and controlling index/noindex status across pages.
- Manage WordPress publishing, including formatting, metadata optimization, and internal linking.
- Track performance via Google Search Console and GA4 to inform content decisions; flagship site sustained 2.3M+ search clicks (141M impressions) and 14.3M+ Discover clicks (188M impressions, 7.6% CTR) over a trailing 12-month period during this tenure.
- Promoted from SEO Content Writer within 5 months based on performance.

Assistant Marketing Manager, Content Operations **Feb 2025 – June 2026**

RNG Productions (Remote) | Philippines | Part-Time, Contract Ended

- Led content strategy and managed a small, focused writing and editing team across 2 active brand sites.
- Researched and shaped content strategy for a brand realignment and repositioning initiative.
- Audited the WordPress backend to identify older posts suited for cleanup and repurposing.
- Applied technical SEO practices, including content consolidation and index management, to reduce content overlap.

- Managed WordPress publishing and editorial calendar scheduling to keep releases consistent and on time.

Teacher I **Sept 2021 – June 2025**

Department of Education, Las Navas, Prosperidad, Agusan del Sur, Philippines (concurrent with content roles, Sept 2024 to June 2025)

- Delivered science instruction to senior high school students; designed instructional materials and digital presentations for hybrid and online delivery.
- Managed administrative documentation, grading systems, and student records with high accuracy.

Community Development Assistant **Sept 2020 – June 2021**

Provincial Government of Agusan del Sur, Results-Based Monitoring and Evaluation Unit | Prosperidad, Agusan del Sur, Philippines

- Provided administrative and logistical support for community development and M&E projects; helped refine a Results-Based Monitoring and Evaluation (RBME) data-collection tool.
- Analyzed and organized program data for reporting; designed report layouts, presentations, and data-driven infographics using Adobe Illustrator and Photoshop.
